# **The general technical condition of the hydraulic drill carriage for mine**

## **1 Subject content and application scope**

This Standard specifies the technical requirements, test methods, inspection rules, marking, packaging, transportation and storage of hydraulic drill carriage for mine (including tunneling drill carriage, rock bolt drill carriage and drill loader, hereinafter referred to as "Drill Carriage"),

This Standard applies to hydraulic drill carriage. The semi-hydraulic drill carriage and its racks, drill boom, propeller parts, etc. for mine can also refer to it.
